

The Snowkey Pokey

The musical notation is presented in five staves. Each staff contains notes with chord symbols (C, D, F, E, #D) and lyrics. The lyrics are: "You put your [right mit] in. You put your [right mit] out. You put your [right mit] in, and you shake it all about. You do the snowkey pokey and you turn yourself around. That's what it's all a - bout!". A green square icon with a clock face is placed between the lyrics "around." and "That's".

You put your [right mit] in. You put your [right mit] out. You put your [right mit] in, and you shake it all about. You do the snowkey pokey and you turn yourself around. That's what it's all a - bout!
